As you are probably aware, Charles Dickens' 'Swiss Chalet' in which he wrote five of his novels and many articles and short stories, is now in a serious state of deterioration and is now in need of major restoration costing £100,000.

The Rochester & Chatham Branch of the Dickens Fellowship are now desperately fund-raising to save this iconic building, which is the only actual link that Rochester has with Dickens. As Rochester relies heavily in its connection with the great author, it would be a disaster for the Chalet to simply crumble away, (it is already leaning and being held up by props).

If you can help us in any way with this mammoth task, either with a donation, fund-raising, sponsoring or part-sponsoring one of our fundraising events, or in any other way, we would be delighted to hear from you. Cheques should be made payable to 'Rochester & Chatham Dickens Fellowship (Chalet Appeal)' and sent to the above address.

Thanking you in advance,

John Knott
